BORA Professional 3.0

BORA Professional 3.0 highlights

Minimum volume

Thanks to the quiet fan, the extractor remains barely audible even at high power levels.

Intuitive control knob

The combination of classic control knob and touch surface with LED display makes the system simple and intuitive to use.

Premium design

The design is eye-catching thanks to its minimalist style and use of premium materials, such as the stainless-steel control knob ring with a black glass front and LED display.

Simple cleaning

All parts that come into contact with cooking vapours can be easily removed through the inlet opening and put in your dishwasher for fuss-free cleaning.

Oversized surface induction cooking zones

Large surface induction cooking zones ensure your pans are heated up evenly.

BORA Professional 3.0 highlights

Automatic cover flap

The cover flap opens automatically when in operation, and integrated sensor technology prevents items from getting trapped during closure.

Oversized 4 24 cooking surface

The oversized 54 cm cooktop allows even two large pans to be easily placed one behind the other.

Modular system

You have the flexibility to choose which combination of cooktops you want, from surface induction and gas cooktops to a Tepan stainless steel grill.

Accurate temperature control

The Tepan stainless steel grill heats up to 250°C in under five minutes and offers ultra-precise temperature control.

Automatic extractor control

The extractor power level automatically adjusts itself according to current cooking conditions, so there's no need for manual adjustment.

Revolution evolved.

Excellent performance, optimum premium design, even more intuitive operation and eight extra deep cooktops that can be mixed and matched – the kitchen revolution goes on. The new BORA Professional 3.0 is the future as far as cooking is concerned. Groundbreaking design language combines with the highest standards in materials, technology and efficiency. Highlights are the automatic cover flap, the improved extractor control and the elegant stainless steel knob ring. And the all black, tactile glass front with its clear, white LED display is sure to turn heads.

For more information, please read the current terms and conditions: mybora.com/warranty2plus1

Extend your warranty

Enter the registration code for your BORA appliance to extend the warranty by a year free of charge. Just visit our website: mybora.com/registration

Pushing boundaries

Sometimes size does matter: the 54 cm-deep, oversized cooktops make cooking with extra-large pans even easier and fuss free. And the perfect match for them? The Tepan stainless steel grill, which makes for a unique cooking experience.

Barbecue all year round: the TEPAN COOKBOOK

Whether a succulent steak, tender fish or crunchy vegetables: with the Tepan stainless steel, you can whip them all up in an instant. Cooking is fun and the meals are tasty and healthy. You'll find a whole host of delicious recipes for the Tepan grill in our book 'INDOOR BARBECUE'. From black risotto with shellfish and flank steak strips with grilled romaine lettuce to the ever-popular Kaiserschmarrn pancakes – there's something for all tastes.
